▲ ▲ WHAT CAN one do to render tribute to a person who has given 25 years of her life to a school? Katheryn "Katie" Harrison has done that for Wilson High. Unselfishly, unsparingly, Katie has given of her energy, her time, her money, and her heart to make Wilson what it is today. Anyone who wonders about this need only ask any of the thousands of students who have felt the warmth and enthusiasm of her personality. Or any of the thousands of alumni, most of whom she can call by their first names. Or any of those fortunate to have eaten her hot rolls, her jams, jellies, pickles, her roast turkey and fixings at Campanile dinners.

What will Wilson do without Katie? Without her intense loyalty, her boundless enthusiasm, her deep and abiding love for young people, her concern for their problems, and her shining pride in their accomplishments? Perhaps it would be better to restate that question. What will Katie Harrison do without Wilson? Because Miss Harrison is Wilson and Wilson is Miss Harrison, one and inseparable.

What can one do? Very little. Because Katie is not a person who receives. She gives. Perhaps this little tribute in Campanile, the book she loves, and placed here without her knowledge, will be most fitting. It is spoken from the heart of Wilson.

Thanks for everything, Miss Harrison. Goodbye, good luck, and God bless you.

WILSON HISTORY—A black gold rush, oil in Signal Hill in 1923, brought pioneers by 1,000's to Long Beach from every state and land. Poly was too big. Then came Wilson, with her resourceful pioneers, bursting for action. "Go get it," old American slogan, was strong in them; they tried everything, started every group they could think of, most of them worked. The booming blood of the late '20's was in them; 102 Senior Pilgrims left the sheltered folds of Poly to graduate here in 1927; six of '29's, the wonder class, won Phi Beta Kappas in college.

✓✓ **Wilson Leaders**—Today those first classes are leaders in Long Beach and other cities. They met the depression and beat it; they pulled out of the quake ruins and beat that. Jobless, depression-ridden men went to college. The war came. College training gave them commissions, top priorities. Soon they were flying over the globe, heading ships, directing men ashore VE Day and on Marine beachheads in the South Pacific. The supreme sacrifice was made by 107 Wilson service men.

FACULTY—Strong broad gauged teachers with fine academic preparation and teacher training requirements have always manned Wilson. They brought to Wilson vision, sympathy, understanding, masters' degrees. With their masters they have sent others on to win masters. They know their psychology, modern methods, their students. They are vital cogs in community work. They have given thousands of untold hours of after school work. They have staged countless extracurricular plays, pageants, Fiestas, operettas, sports' contests, Loudspeakers, Campanile.

EARLY WILSON—In 1885 Wilson site was sheep pasture: oil, beaches, harbor and climate built Wilson. The first year Wilson had 58 teachers and 835 students. The Pageant of Youth dedicated building in 1928; first rally was on bleachers. Poly gave Wilson \$1000 for an activity fund. Quote from W.L. Stephens at athletic field dedication: "I hope this athletic field will have great spirit made up of memories of athletes who have struggled here to win with honor . . . The test of a team in a football game comes when the opponents have you backed up to the 6 inch and you hold." At a pep rally Mr. Stephens donned a red and gold Wilson sweater and gave students a fight talk.

✓✓ **WILSON LEADERS**—Here are some success stories from recent clippings and Homecoming data: Larry Collins Jr. '38, Mg. Editor, Independent; Hugh Burham '31 Pres. Insurance Assoc.; Bob Lemon '40, pitcher for Cleveland Indians receives \$50,000 salary; WM Grub '40, ordained minister; John C. EDUCATION—Some Wilson firsts in the early years: John Lounsbury was first principal; most modern buildings; first daily loudspeaker broadcasts; first sections in West; first activity periods introduced by Mr. Moore in 1933. In 1927, '28, '29, Junior College shared Wilson buildings. Tents were erected on Stephens Field for 2 years following quake. Sports were played on the girls' field until 1931 when new Stephens Field was dedicated. Wilson shared in new movements in education introduced by experts from the central office. Wilson was an accredited school in 1930. Harry J. Moore became principal in 1932. During tent city period, 1933 to June 1935, all standards and activities were maintained. Wilson bought movie projector in 1938; they bought caps and gowns. Moore was a genius for making school budgets work. Came the war, and new classes were geared to help boys fit into training; they practiced with wooden guns made in woodshop. First aid was produced en masse. In 1946 Wilson was rated one of 8 best high schools in nation by California educators. In military tests senior boys in California were first in nation.

WORLD WAR II—made Long Beach and Wilson danger spots. Everybody gave everything he had 24 hours a day around the clock; the boys went to war, young ones, older men; we bought bonds; we sold bonds. Three high schools sold \$2,202,000 in bonds in one drive 6 bombers, two for each school; we bought stamps; we dined service men; we manned aid stations; entertained hospitals; \$136,000 for bonds poured over the Wilson counter in one drive; our parents worked in war plants. Wilson went in to the hilt; 3200 men were in the war; 107 did not come back.

QUAKE, TENT CITY ERA—was vivid colorful, full of adventure. In spring of '33 classes were held around tables and on bleachers in patio while the wind blew. The beloved Campanile tower, of reinforced concrete, a hazard, was ground down while people gritted their teeth. Tents were friendly; board walks, on athletic field were set up; main hall was the track, which filled with water when it rained; it rained much; tents were gorgeous with Christmas greens, tent madonnas, carols. Assemblies were held in park band shell; June class '33 graduated in the park. Later assemblies were held on the incinerator.

Gripping

Here is a glimpse of Wilson through the years, a few beloved spots, memories. We looked at Loudspeakers, old Campaniles old pictures, old negatives, checked recent clippings. We struggled for weeks trying to discard old pictures; some were too small, too faded. Some choice ones were gone. No 200 page book could tell the vibrant Wilson story through 25 years. There are 100's of good stories about Wilson and her alumni we could tell if there were room and time. This book does not try to tell it all.

This is the Wilson story, great moments, memories

GREAT MOMENTS

- 1928 Pageant of Youth dedicated new buildings**
- 1931 Varsity basketball team beat Poly**
- 1933 Post Quake Wilson met in band shell**
- 1942 Wilson men went to war**
- 1945 Returning Veterans came to Homecoming**
- 1943 Jinx Buster football team beat Poly 34-7 after 12 years**
- 1944 Varsity football team beat Poly 20-0**
- 1945 Varsity football team beat Poly 26-7**
- 1948 Varsity football team dedicated new steel bleachers to win over Poly 20-7**
- 1946 Wilson declared one of 8 best high schools in nation**
- 1936 Funniest thing in Wilson history**

A fellow in a Poly letterman's sweater charged the goal post after Poly won the game. Instantly all the Wilson red bloods rushed to defend the post. Poly came out of the stands in swarms; some scrapped; some looked on; the post wobbled; down came the red and gold; Gov. Yancey, Wilson, boosted Gov. Gandy with red and gold pom poms. Mr. Moore had the water sprinklers turned on; the big circular kind that socks. Did they get soaked and go home!!

On January 18, 1928, Eleanor Wilson McAdoo unveiled the painting of her father, Woodrow Wilson, patron saint of Wilson. The portrait gift of the UDC cost \$2000. Her husband W.G. McAdoo, Sec of the Treasury, made the address.

EARLY YEARS—Top left: In 1929, Wilson held a tree planting. Every homeroom dedicated a spot, put in shrubs and beautified Wilson. Lower picture shows Wilson two days before school started. Note the fresh earth. Don't miss the Fords. Nearest busses were Loma and Fourth.

Class of '29 take time out at dance to pose for Campanile pictures.

First Faculty 1926-27 Front row: Seal, Paine, Williams, Blackwood, Duncan, Waddell, March, Chalker, Reagan, Coleman. Row 2: Scott, Harrison, Fletcher, Stuempel, Sullivan, Whittaker, Higgins, Symonds, Garlick. Row 3: Yeager, Gill, Neely, Courtright, Hansen, Schoonover, Platz, Hunt. Row 4: Edwards, Krythe, Larsen, Rau, Meeks, Johnson, Sergel, Llewellyn, Handy. Row 5: White, Garlick, Brecht, Grimes, Burdick. Row 6: Frazer, Unknown, Greenup, Smith, Benner, Lounsbury, Woodruff Kendall, Moore, Nutter.

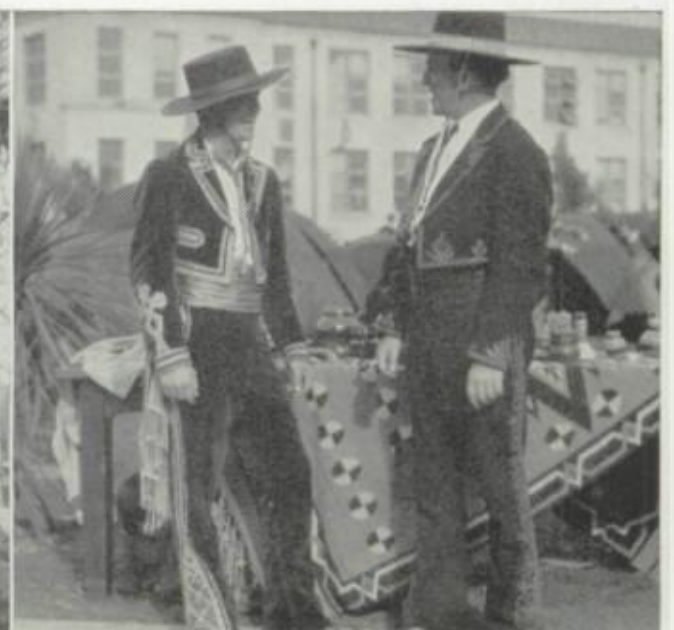

We found old pictures; here they are: Top left panel: Supt. Stephens; Mr. Lounsbury, 1st principal; Mr. Moore, 2nd principal; Cliff Meyer, 1st football capt.; Lowell Dryden, 1st Senior prexy; Capt. Chas. London '36, won Distinguished Service Medal. Panel 2: Merrick '30, appraiser; Betty Bixby, Civic worker; Ray Gayton '30, contractor; Jim Munholand '30, lawyer; Doroteo Vite '30, Philippine consul; Gordon Willey '31, Harvard professor.

In the fall of 1931 new Stephens Field was dedicated before the first home game. City, school officials, patrons, and the student body cheered the new field. Some present were Messrs. Lounsbury, Doyle, W. L. Stephens, Hunt and C. C. Lewis. Second from top: Board of Education formally presented the new auditorium to the student president, John Eikelman, after six years of outdoor assemblies, while P.T.A.'s Supt., Mr. Moore and others look on.

Third from top—Wilson reaches her 21st birthday and 21 candles were lighted. Bottom—Mobs hold Homecoming on the Incinerator. Crowd kept themselves back by ropes. Everybody stood.

Fiesta—Fiesta was the best loved day at Wilson.

The whole school came in costume, faculty and

students: beautiful señoritas, senors, cabelleros

gorgeous queens in filmy gowns, gorgeous throne

from which the queen was cheered by her royal

subjects. The grand opening feature was a dance

on the athletic field with 1800 students dancing.

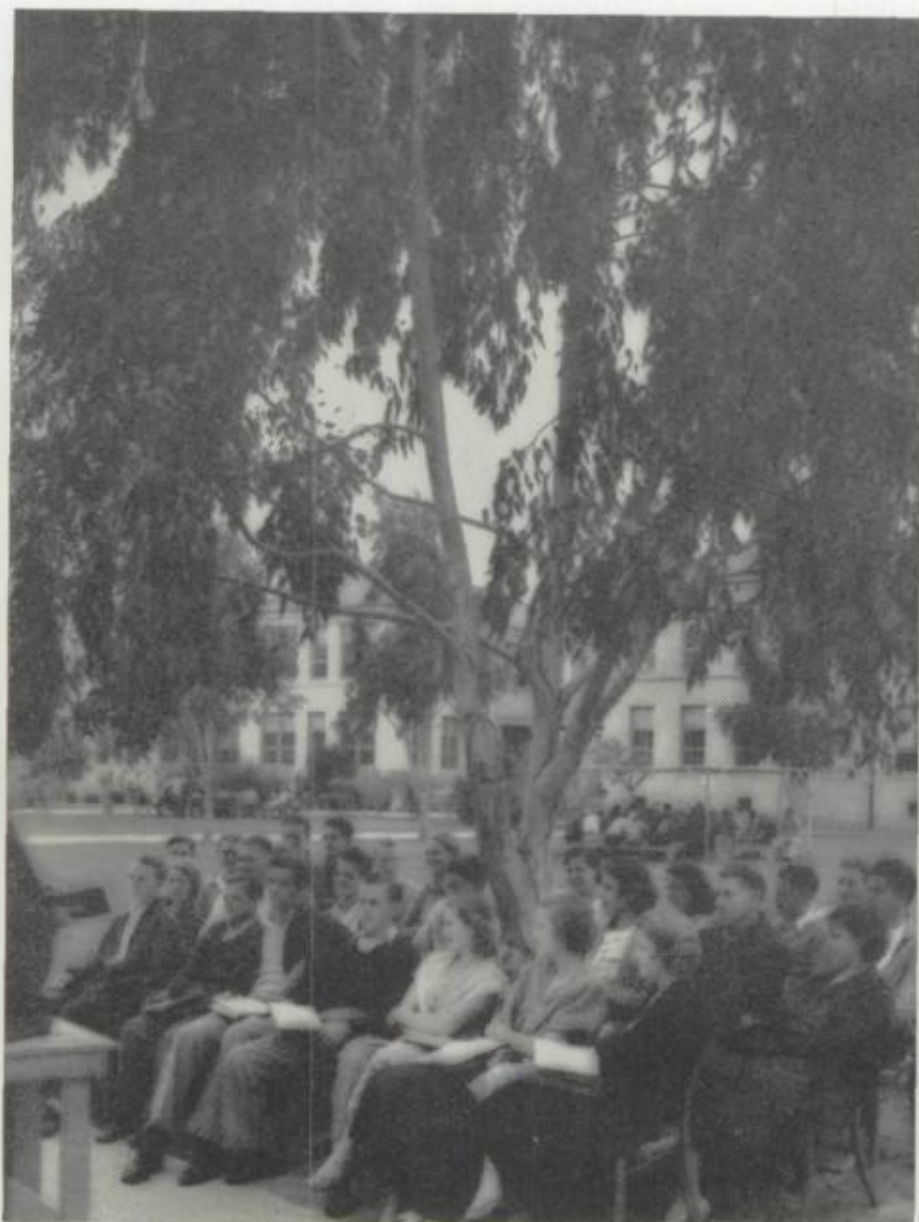

This event often brought tears to the eyes of the

spectators. From noon on, the time was crowded

with events: booths, side shows, bullfights, grand

array of dances, closing a night with a dance.

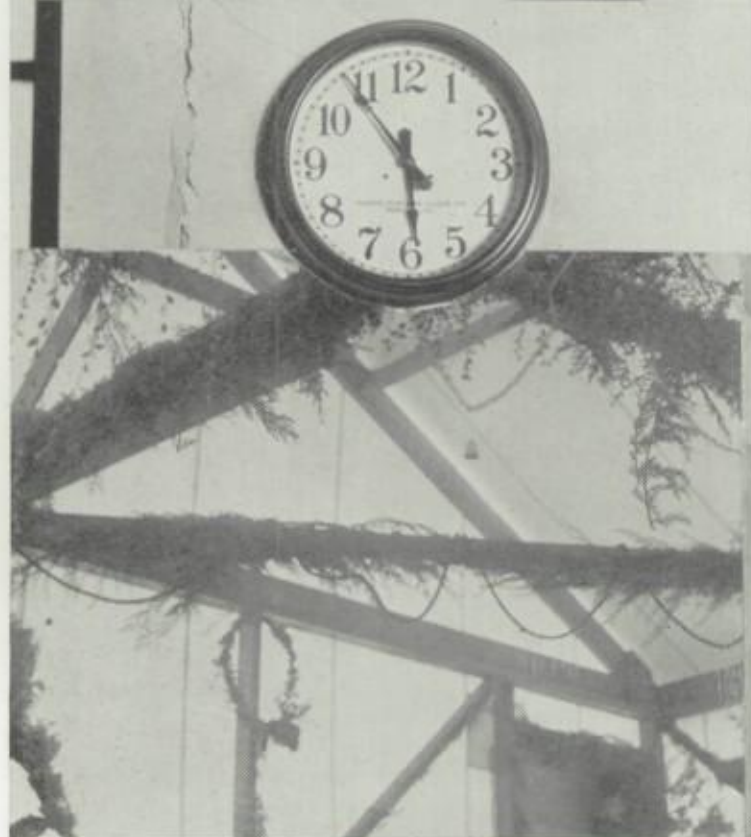

TENT CITY—For two years following the quake, March 1933, school was carried on in the tents set up in the athletic field on either side of the track. Rain fell in terrific quantities those winters and the track became a glimmering lake. Class rooms were silent. Students loved tent city. Many war heroes went to school there.

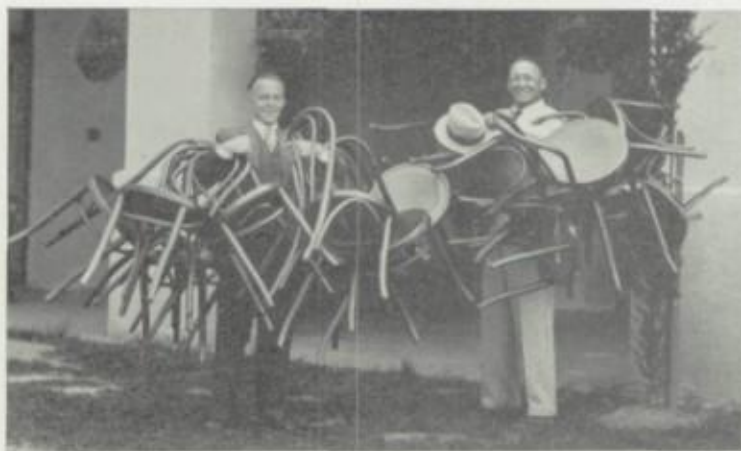

Tents—From March until June, '33, classes were held in the patio on tables, under trees, on bleachers in the shadow of the boys' quake-ridden gym. Lower center—Pinky King, comedian, Thespian, cheer leader, calmed athletes after quake experience.

QUAKE, TENT ERA—Beloved Campanile Tower was torn down after quake. Clock gives quake hour. Garlands sang in the tents at Christmas time. Tent madonna setting, designed by Chalker's class. One all time great moment at Wilson was the school's first meeting in the bandshell after a three week earthquake vacation! Were they glad! Did they cheer! Assemblies were held in the park bandshell. Cotton Warburton, SC All-American talked at an awards assembly in park.

Messrs. Lowry and Bakken did their daily chore carrying chairs in and out. Everything had to be carried in and out! Typewriters, chairs, tables. You really could do about anything you wanted to. When it rained, you were always sure of fish. Pep rallies in tent city blasted the air as never before. A nice squashy plank bridged over the water on the track. Mr. Hennes is in center. Faculty guarded their creamy complexions with hats. Every boy in Wilson loved, and we do mean loved, to get out there and test his boots.

SILVER ANNIVERSARY YEAR

Campanile is dedicated to Wilson Alumni, to men and women who have gone forth to successful lives in every phase of successful living. We thrill with pride at your positions of trust and service in this community. This Silver Anniversary year you have returned to us at Reunions in large numbers and rejoiced in our growth. Greater things are ahead for Wilson, increasing enrollment next year, and a new building will provide new and modern classes and much needed class rooms. We are justly proud of Wilson Alumni and we are sure that your Association will go forward as a mature institution.

Color engineer splashed genius in pastel colorings of Girls' Gym

▲ ▲ GIRLS' GYM—The thrill of the gleaming new girls' gym, after seventeen years in an assortment of rooms, is in the heart of every Wilson girl. The gym features the last word in modern architecture, a result of trips by gym teachers to leading So. Cal. plants whose modern ideas were put into the gym. Mirrored surfaces of the floor and the Dance Studio with its wall of mirrors, add beauty to the color schemes of blues, pinks, greens, and yellows which harmonize throughout the building. Other highlights are the hair driers, movie room, sundeck, glass trophy case, modern orthopedic room and special room for First Aid and teachers. The popular Social room with its fireplace and kitchenette has been in constant use since completion. Alumni reunions gave it their greeting and dedication.

In Miss Hansen's play George Washington looks in on the United Nations as they discuss problems of the future

CLASSES—Miss Hansen's class members combine talents to write and produce a United Nations' Play. George Washington looks in on the United Nations as they discuss problems of today's future. Future mathematicians listen attentively as a member of Algebra 2a class explains an equation. Under Mrs. Luberg's direction the costume crew adds glamour and reality to school productions. Helping win many awards is the accomplishment of this string ensemble of the orchestra, which always wins superior rating in the music festivals.

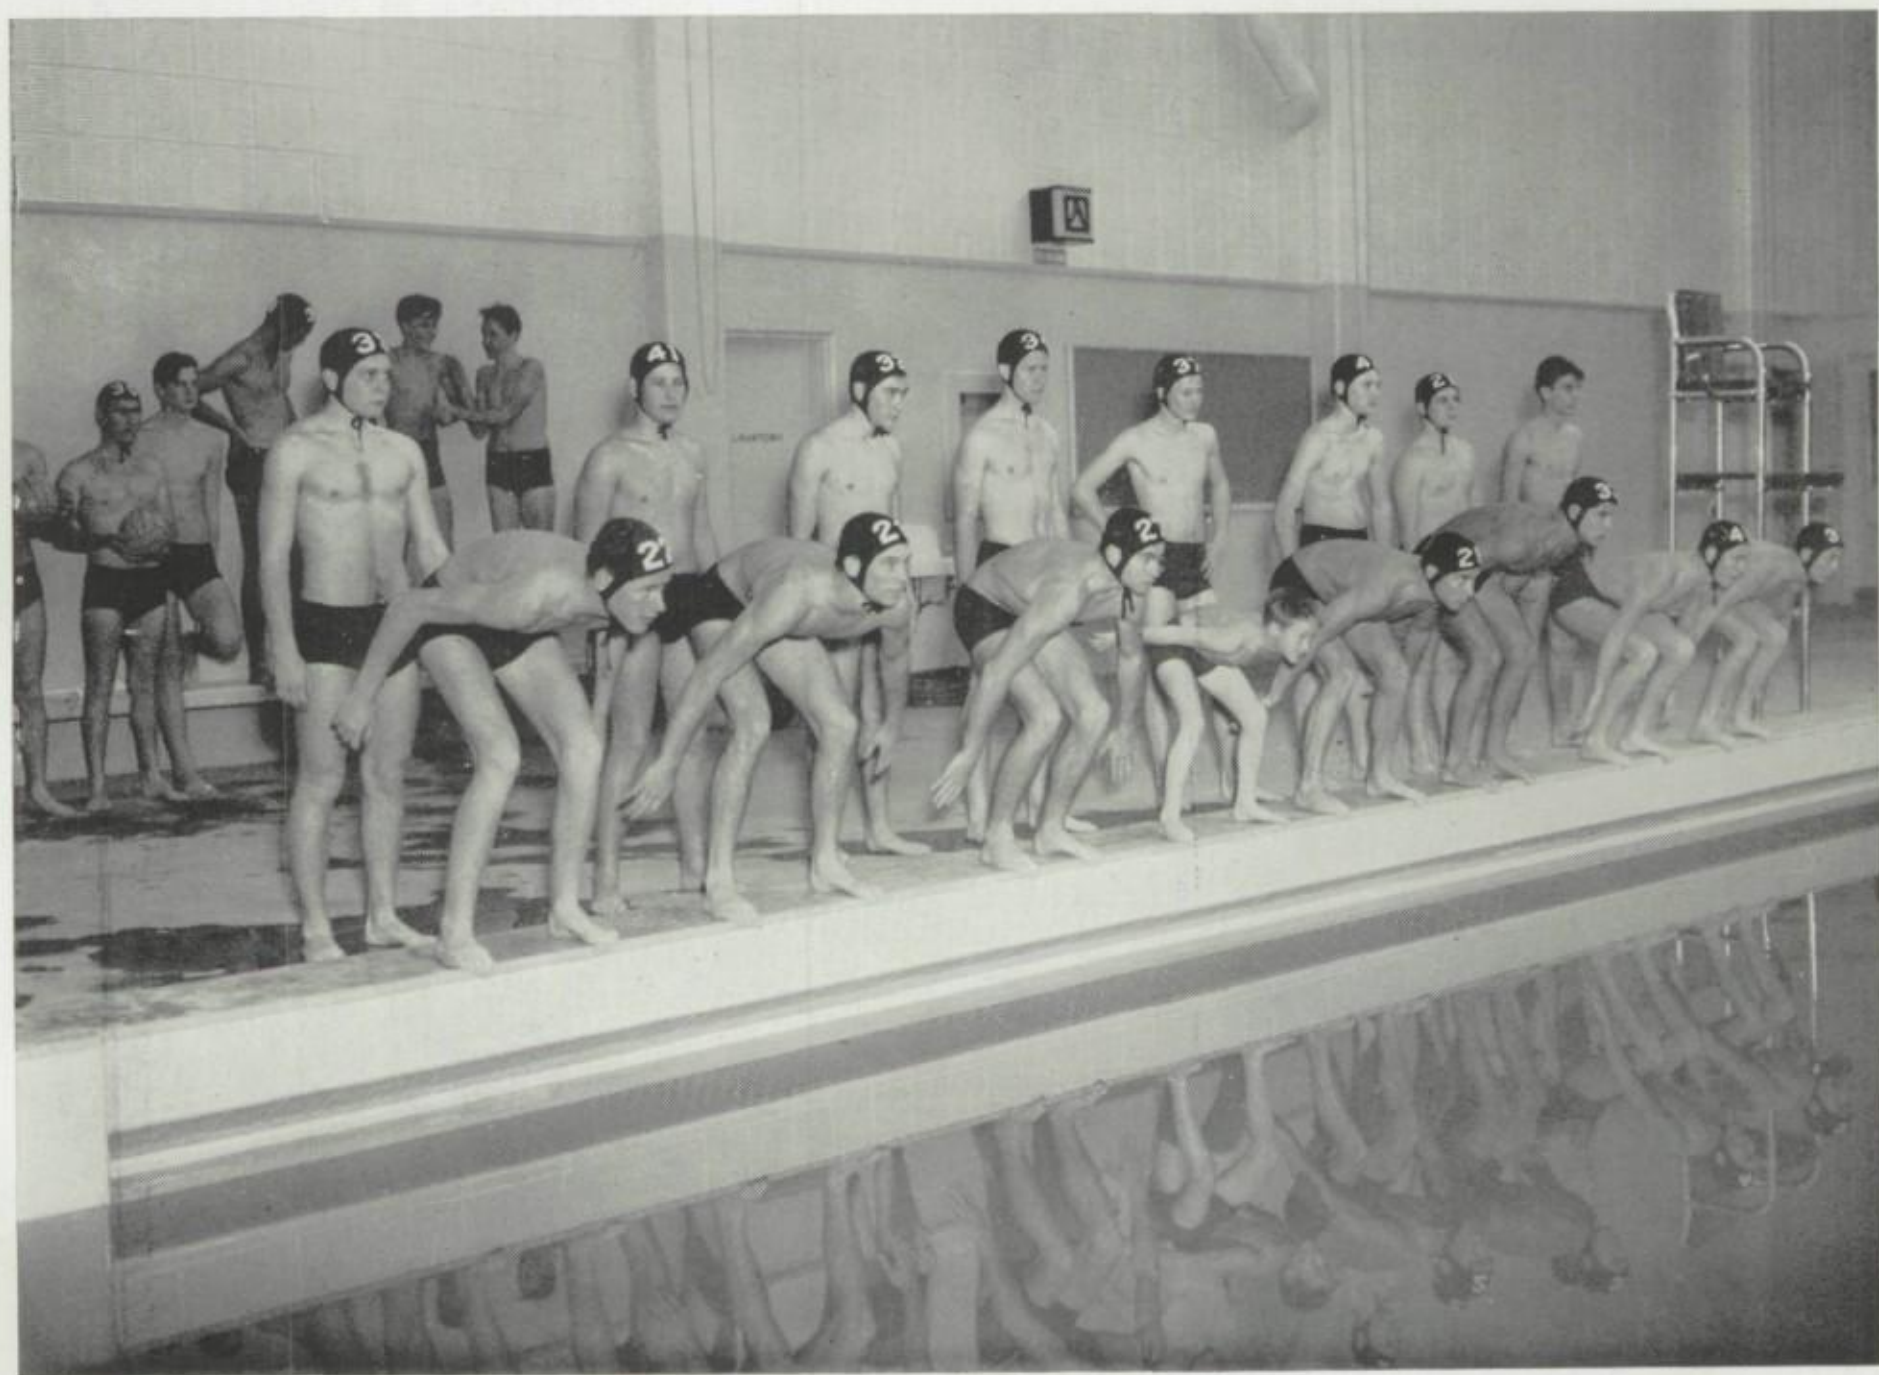

Up to date teaching methods bring Wilson Students top honors in language, music, art, homemaking

CLASSES—Brass section is important part of orchestra which has won top honors in competition. Students assist other Wilsonians by reading to them in Wilson's sight conservation classes. Spanish students agree that Spanish records are helpful in learning their chosen language. Many appetizing recipes are prepared and eaten by the members of the Cooking classes on new electric stoves. Members of the stage crew share their box of candy, Miss Burdick's gift, after completing clever stage sets for the play.

Dedication of new gym inspires everyone on gala Silver Anniversary opening

New gymnasiums cheered, applauded by thousands; last word in architecture and equipment

✧ ✧ **BOYS' GYM**—With the opening of the new \$600,000 gym after 17 years in cramped quarters, the entire Wilson campus, patrons and adult population of East Long Beach underwent a great upsurge of spirit. The Wilson building is perhaps as modern as any physical education building in the nation. Features are four basketball courts with disappearing bleachers seating 1200, two pools with bleachers, sundecks, and an orthopedic room.

An advanced method of guidance and counseling gives students aid in four areas

▲ ▲ GUIDANCE—With the population increased more than 100 per cent in the last ten years, new people from every walk of life and background have made Long Beach their home. Following the war the Long Beach and Wilson curricula were changed to meet the demands of new vocations. An advanced type of guidance and counseling service was set up under the direction of Miss Pitchford, Wilson's vice-principal. The services include two full-time counselors, four teacher-advisors each serving two periods daily and interviewing in personal, vocational, social, and educational guidance. Special services include interviews by a psychologist from the city office who aids disturbed youths.

Upper left—These veteran teachers have taught in Wilson 25 years: Harrison, Reagan, Burdick, March, Frazer. Miss Alice Johnson was not present when picture was taken. Upper right—These faculty members have written books: Dunkle, science text; Gartner, winter sports stories and novel; Pierce, *Youth Comes of Age*. Lower left—Mrs. Townsend is state president of the University Women of California. She and Miss Wilcox were ready for a convention. Lower right—Past presidents of Wilson PTA—left to right: Walker '27; Zelsdorf '38; Rene '31; Orahood '39, '40; Mosher '32; Findlay '44, '45; State Speaker; Laughlin '51; Kirkpatrick '49; Hanbery '50.

▲ ▲ P.T.A.—The 25th Anniversary of Woodrow Wilson P.T.A. has just been completed, with Mrs. A. V. Laughlin guiding the organization through a successful year. A series of breakfasts and luncheons at the beginning of the year, enabled all members to become better acquainted and enough money was raised to carry on the welfare projects of the organization. The year's theme "What Heritage for our Children," was given practical application in sponsoring camperships, scholarships and student loan funds and in contributing to the Red Cross, Tuberculosis Seals, March of Dimes and Cancer Drive.

▲ ▲ GOVERNMENT—Student body officers lead the entire school in a democratic type legislation. Wilson's government is a model for many schools. The government is divided into legislative, judicial, and executive departments who are all working for a smoother designed program. Supreme and student courts function like national courts. Commissioners enforce many laws. A new type program for electing government officers was set up this year. Each student has to register in section before voting and again at the polls. Nine precincts were opened from 9:00 A.M. to 3:15 P.M. for the convenience of all students. Governors were hosts of the annual Homecoming day; they sponsored assemblies for the enjoyment of the students and struggled with low gate receipts at football games.

Miss Pitchford, vice principal, and Miss Green, girls' counselor, are the guiding hands behind this efficient organization. Outstanding events of the year were services to the new V. A. DEDICATION

**to Ruth Burdick
and
Margaretta Reagan
for twenty-five
impressive
Christmas pageants**

Hundreds, yes thousands, have glorified the great Christmas story

DIRECTORS—Choral music, Mr. Ellithorpe; Orchestra, Mr. Furjanick; Pantomime, Mr. Moon; Art, Miss Burdick; Costume and Make-up, Mrs. Luber; Accompanists, Miss Larsen, Miss Stewart; Stage Technician, Mr. Edwards; Ushers, Mr. Haun; Programs, Mr. Morrison.

▲ ▲ PAGEANT—Twenty five years of inspiring Christmas Pageants. To Wilson, present and past, it means the beautiful sacred story of the birth of Christ with all of its lovely mystery and religion. It is a sermon of and by the students. There have been variations in the program, but the fine great message is always strong and returns. Hundreds of students throughout the years have declared this performance their greatest moment in Wilson. Always impressive are the lowly shepherds. Always impressive is the beautiful Madonna, key figure. Always serious are the three hundred who stage the show. Always reverent are the nineteen hundred who listen in unconscious prayer. Students rise to great events.

PRODUCTION: Moon, Burdick, Edwards, Luberg, Furjanick, Hennes, Hughes, Catlin, Haun, Morrison.

The Great Big Doorstep, realistic comedy, masterpiece of the year, was forcefully presented by a well-trained cast headed by Dick Kite and Barbara Taylor. A shack in the Louisiana swamps was the dramatic background; sordid costumes were convincing. The theme suggested Broadway.

▲ ▲ STAGE CREW—Back of the lighting and the sets of stage productions are quick sketches, scale models, blending colors, texture, studies, lighting plots, and prop designs. Behind the production are countless hours of arranging sets and lighting effects by Miss Burdick and her Stage Crew on twenty-five master productions.

▲ ▲ STAGE COSTUME—The thrill of seeing their own created and designed costumes on the stage spurs the Costume Crew. This crew makes dozens of costumes used in the Operetta, School play, Christmas Pageant, and talent shows. This crew makes up hundreds of characters for all shows. They are aided by a Stage Costume Design Class.

▲ ▲ OPERETTA—Naughty Marietta, this year's comic operetta given in three performances had everything, tuneful melodies, beautiful voices, outstanding sets, exotic costumes, thrilling choruses, clever comedians, grand ensemble. A staff of 300 spent months perfecting and synchronizing the intricate parts. Leads were Nadine Camden, Jan Hickok, Mallory Walker, and John Greenville. Ah Sweet mystery of Life, headed the group of beloved song hits.

Furjanick's orchestra rates top honors in annual So. Cal. music festival

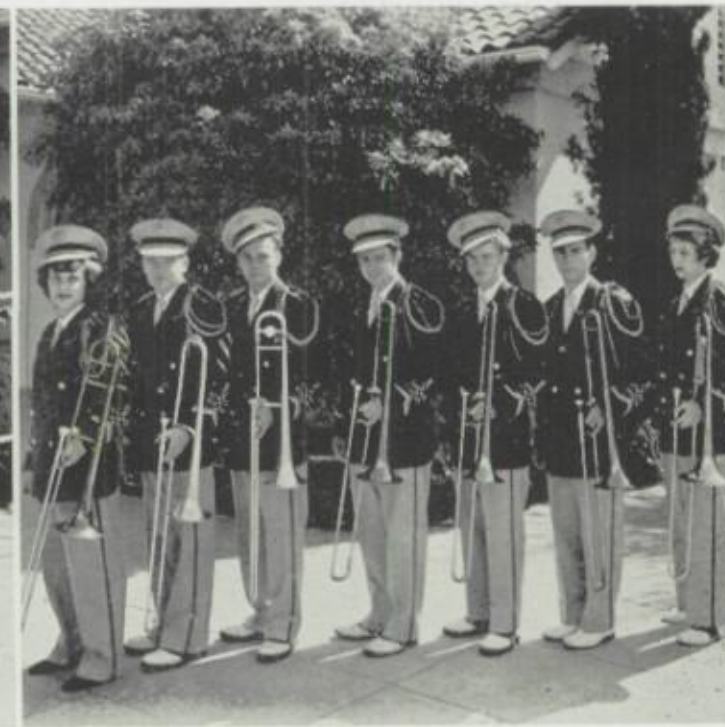

▲ ▲ ORCHESTRA—The Furjanick orchestra, always an artistic, balanced organization, continued superior rating among the fine orchestras of Southern California as did smaller groups. Special events were the musical festival, school play, operetta, graduation, Vespers, and Music Week.

Λ Λ BAND—Maintaining traditions of past Bruin bands, the group won top honors in a combined concert with the famous Long Beach Municipal Band. They made a striking contrast as they marched in parades and in their smart new uniforms lent their fighting support to Bruin eleven as they played Poly in the Memorial Stadium. They were guest band at UCLA.

Ellithorpe's songsters rated one of outstanding Choirs in the Southern California annual music festival

▲ ▲ A CAPPELLA CHOIR—The gay operetta with colorful melodies and the tone blendings climaxed a great year for the choir and glees. The choir sang six church concerts, broadcast over KFWB from Hollywood, and made two recorded broadcasts. The "Meistersingers," a group of sixteen singers from the choir sang at dinners and social functions. Instrumental musicians joined the choir and glees, in the 'Harmony Hop,' a

Notable example is George Probst, '35, head of the Chicago Round Table. The group talked for many community and Civic Groups in greater Long Beach.

♣ ♣ CHEMISTRY TEAM—Continuing the excellent records of previous years the 1951 Chemistry team comprising Coleman, Hinz, Miller, Munholland, and Odell has worked diligently. Competition was held at UCLA this year. The 1950 team finished 5th out of 39 teams entered, with Richard Robertson, placing 4th in 202 individual contestants. For this achievement, Robertson has been granted a scholarship to Occidental College.

▲ ▲ SCRIPTERS—Seated: Cox, Loomis, Woods, Sullivan, Hinz, Mr. Gartner. Second row: Hinrichs, Brisk, Browne, Behrend, Markworth, Hinz E., Orr, Rosenberg, Bruce, Mills, Mealey.

▲ ▲ LA FUENTE—The 1951 La Fuente, appearing at Easter, had a new format and a completely informal tone keyed to appeal to Wilson students. Brimming with clever essays, features, articles, poems, edited by John Orr, it won the instant approval of its 750 readers. Features were a talk by Epley of the Press Telegram, a talent assembly and a banquet.

▲ ▲ SCRIPTERS—Great thrill of Scripters, Wilson's honorary writing group, is the appearance of their brainchild, La Fuente, potential All-American. Other activities include manuscripts written and criticized by Mr. Gartner, and lectures by professional speakers.

▲ ▲ LOUDSPEAKER—Front row: Loomis, Hinz, Orr, Campbell, Taylor, Smith, Cox, Seiger. Second row: Gray, Purucker, Browne, Nikceovich, Beck, Brisk, Sweet.

**Hard working, News-wise reporters make
Loudspeaker tops in the nation**

▲ ▲ TROPHIES—The Loudspeaker news room is packed with interesting awards. Framed certificates are displayed in long rows around the room. La Fuente and Loudspeaker have won a goodly share of All-Americans and top ratings from other associations in the West. Mr. Gartner, sponsor, has magazines stacked high that carry articles he has had published. He is in demand constantly to talk before writers' groups and clubs in the southland.

▲ ▲ LOUDSPEAKER—Seated: Brown, Becker, Ketteringham, Woods, Bruce, Welsh, Lindsay, Queen, Sullivan. Standing: Flanders, Martin, Leach, Bergland. Ed. in Chief, Loomis; P. 2 Ed., Seiger; P. 3 Ed., Schartz; P. 4 Ed., Hinz.

▲ ▲ LOUDSPEAKER—Meeting deadlines, rewriting leads, struggling with heads, and adding sparkle to a dull story are the duties of the All-American Loudspeaker force. A staff of thirty-five covers the campus to bring all school activities to 1900 students. Besides bristling news stories there are Bruins' Doin's, Static, Letters to the Editor, Patio Chatter, and entertaining comic strips. This superior quality for many years has spurred Loudspeaker to many All-American honors by the National Press Association.

Staff '51 presents Silver Anniversary number

✧ ✧ **PRINTING**—This year the students in the printing and linotype classes were again notified of All-American honors on the Campanile and the Loudspeaker. Smaller projects which students of these classes have worked upon have also received favorable recognition. Directories, posters, tickets, programs and office forms were set up and printed, giving students the opportunity of working on "commercial jobs." Students appreciate the value of this type of work, especially those who enter the trade upon completing high school. Outstanding students in the Wilson printing department the past year were Hugh Caille, Douglas Skare, Danny Mahan, Paul Cargal, Richard Ross, Bob Stiege-ler, Don Morse, Gary Rohlfs, Richard Turnell, and Brent Nadault. Max Morrison is instructor.

All-American Loudspeakers, Campanile get their magic from the printers

▲ ▲ CAMPANILE—Volume 25 Campanile has the supreme thrill of recording 25 years of success for Wilson, the success of hundreds of men and women who have taken top places in this community and over the nation in their respective fields. Our joy reached new peaks as hundreds returned at Reunions telling their stories. The staff is definitely All-American in its vision, organization, drive, urges, devotion and countless hours of intelligent, loyal work. It matches 18 former staffs who made All-American. Salesmen sold 1616 books, a 25 year high in Miss Harrison's 25th and last year as sponsor.

For Miss Chalker, her gifted hands created beautiful things for Wilson

To Miss Dorothy Chalker, former Wilson teacher, now ill, a toast. Her gifted hands created beautiful things, class gift books, Campaniles, stage costumes, Fiesta costumes and decorations, Service flag and on ad infinitum.

Thanks, Wilson, for everything! Thanks, 1000's of students, for your loyalty, help

Here it is. Thanks, Wilson, for everything. Thanks, thousands and thousands of students, for your love and cooperation in putting out this book through the years. I shall always treasure your spirit. I shall always be with you in spirit. When our teams are playing, when pep rallies are cheering, when Homecomers return, when service boys come back, when you are hunting theme errors, I'll be in there pitching. I'll be there in spirit pushing you over. I'll be near you in Long Beach and if I can help you in any way I will not fail. Your faith in me, your cooperation in putting out 18 All-Americans has made me feel humble many times. You have always been strong and high-minded and you will always be. Thanks Miss Chalker, Mr. Morrison, Messrs. Lonsbury, Moore, and Martin, the wonderful faculty, thousands of Wilson students, PTA's, Wilson Alumni, twenty-five heroic, loyal Campanile staffs and the four '47 editors who compiled the service records. You have what it takes.

▲▲A cheering throng of fans dedicated the new Memorial Stadium and watched a powerful Wilson eleven overwhelm a favored Poly grid club in the first league game of the 1950 season. Jeglum, on the second play from scrimmage, passed to Knorzer for six points and the opening Bruin touchdown. Bisso then split the uprights with his conversion and Wilson led by seven points. Poly scored minutes later on a pass play. Wilson held the upper hand of a 7-6 count at intermission. In the second half, the Jeglum-Knorzer combination paid off again as the Bruins took a 13-6 lead. Poly scored their second touchdown on a line plunge from two yards out. The conversion attempt was wide. As the gun went off, red and gold pom-poms ripped the air with victory as the underdog Bruins had whipped Poly in the "game of the year."

Don Davis played guard for Wilson and was an excellent blocker and tackler. Burchfiel and Ward were two sparkplugs of the team. Clark and Ernie were the clutch players. Paul Revak was All-City tackle, an important lineman, and a good blocker. Bill Sundell was a fine blocking and tackling guard. Bob Johan played fine defensive ball in the backfield against Poly.

Mighty Brubabes shatter all scoring records in Wilson's his tory to mark Silver Anniversary

B FOOTBALL—The high spirited Brubabes of 1950 proved themselves one of the outstanding teams in the history of Wilson as they erased more than 13 school records. After their only loss of the year to a fired up Jordan eleven, the Reelmen came from behind with 30 seconds left to defeat Rosemead 34-33, and then climaxed the season with a record breaking 61-7 trouncing of Compton. The Bruin attack was sparked by captain Hess and Painter and quarterback Fore.

♠ ♠ VARSITY, B, C SWIMMING—

The first Bruin swimming team since 1939 swept through a sensational season which netted but two defeats out of nine duel meets. The Bruins paddled their way to Coast League duel meet and Coast League team final Champion in all three divisions. The watermen outswam their cross town rivals Jordan and Poly by large margins and rolled over Compton to clinch the league crown. Bruins have placed many swimmers in A, B, and C divisions in So. Cal. at press time. In the Championship finals, Bruins are expected to cop a few first places. Congratulations go to Pete Archer on turning out such fine teams in the first year of the new pools' opening. Boys and girls stampede to sign in the new swim classes. Used by the City evenings and Saturday, the new pool is definitely spot number one in popularity.

V WATER POLO—Anxiously looking forward to the completion of their own swimming pool, Wilson water men overpowered Poly and Jordan mermen to capture the All City crown. Capt. Dick Miller led the team in scoring with Jim Steveson, Bob Reeve, and Gary Olney providing ample support. Being the first year for the water sport since 1934, Coach Archer and his charges had to start from scratch and turned in an outstanding season.

VARSITY BASKETBALL—Playing on their own hardwood floor after 17 years on foreign courts, the hoopsters under the able coaching of Bill Patterson, came out on top of a strong Southland schedule with a 15-11 won and lost record. Highlight was upsetting Coast League and CIF champion Compton by a surprising 36-30 count in league play. Two of the largest crowds in Wilson's basketball history watched the classics between the Bruins and Poly with Poly coming out on top of two overtime games by bare margins. Packed grandstands watched the league home games in the brilliant new gymnasium as Wilson broke even with Coast League competition with a 4-4 record by downing Excelsior twice, and split with Compton and Jordan. The Bruins battled to an 11-7 record in practice tilts.

B BASKETBALL—An inexperienced Wilson B team playing their second game in the beautiful new gym came through in fine order by defeating the league winning Poly Bunnies 38-29. This, along with their outstanding win over Whittier 61-49, were their two upsets of the year. With one letterman and one senior, Coach Hunt's team won a win-loss average of 10-17. Gustavsen received All-City honors.

▲ ▲ VARSITY BASEBALL—A young and highly spirited Wilson baseball team bursting wide open a hard practice slate made up of outstanding Southland prep teams, is a rampaging dark horse in the fight for Coast League laurels. Led by junior hurlers Winslow and Hinz, the Bruins have a three and two league mark at press time, setting back Excelsior twice, tumbling Jordan once, and losing low scoring frays to Compton and Poly. The consistent and powerful hitting of Captain Jeglum, Quinn, Powell, and Stanley has paced the horsehiders to their convincing 12-9 Southland record. Winslow is the leading Coast League pitcher at this stage of the season and Jeglum is leading all local pacemakers in the hitting department with an impressive .400 average. Although not having such an outstanding record as that of the CIF champion Bruins of last year, this squad has spirit. A strong JV team is battling for next spring's Varsity.

Captain Gary Rohlfis was star at 100, low hurdles, setting a new school record at 19.5, and broad jump, and is now a leading contender for CIF. The powerful B team is unbeaten in League play and placed six men in CIF. Also League champs, the C's at press time are the leading contenders for the CIF crown. They boast the strongest team in Wilson history. Two records were smashed. Read put the shot 50.7 feet, and Jordan reached the time of 18.3 in the 180. All three teams placed their respective relay teams in CIF.

Pretty girls. Yipee! Have they swayed their thousands down through the Silver Anniversary years. Wilson song leaders have beauty plus sparkle, dazzle, rhythm, magnetism, everything. They have enjoyed a kind of hero worship from their Wilson fans as they led cheering mobs in songs. Pretty gals are not limited to song girls; every year has seen dozens. Returning Wilson men always comment on their beauty. Only recently an ex-Wilson man, now a commander, left a classroom and brought back a box of candy for the pretty girls and the boys.

THE MAN WHO WINS

The man who wins is an average man. Not built on any particular plan,
Not blessed with any particular luck; Just steady and earnest and full of pluck.

When asked a question he does not "guess," He knows the answer "no" or "yes."
When sent to do a task the rest can't do, He buckles down 'til he's put it through.

So he works and works 'til one fine day there's a better job with higher pay,
And men who shirked whenever they could, Are bossed by men whose work made good.

For the man who wins is the man who works; Who neither trouble nor labor shirks,
Who uses his hands, his eyes, The man who wins is the man who tries.
